

An Introduction to Latin America

Webinar Series at Learn Central

By Center for Latin American Studies
at the University of Florida

Politics

April 19

Iran Rodriques
(Political Science)

Religion

April 26

Gerald Murray
(Anthropology)

Race

May 3

Rosana Rosende
(Anthropology)

U.S. -Latin
America Relations

May 10

Philip Williams
(Political Science)

The goal of the online series is to introduce teachers to Latin American Studies to integrate content across the curriculum.

A Latin American wiki page will be built collaboratively among participating teachers to post resources and start discussions on topics covered during the webinar.

Time

7:30-8:30 p.m.

Eastern Standard Time
(each Tuesday)

Format

45 minute presentation with power point (or not) on Elluminate. 15 minutes for questions.

Target Subject Areas

Social Studies

Foreign Language teachers

Target Grade Levels

Middle school

High school

In-service points available for Alachua County teachers.
